

# International Workshop for Energy Integrity System

TOKYO  
METROPOLITAN  
UNIVERSITY

**1. Date and Time:** Nov. 16<sup>th</sup>, 2018, 13:30~17:30

**2. Venue:** Tokyo Metropolitan University, Hino Campus, No.2 Building

### 3. Time Table

- 13:30-13:40 Opening Remarks T. Shimizu (Tokyo Metropolitan University)
- 13:40-14:20 High efficiency wireless power transfer systems  
H. J. Chiu (National Taiwan University Science and Technology)
- 14:20-15:00 Private and Secure Authentication Protocols for Large-Scale RFID Systems  
Min-Te Sun (National Central University)
- 15:00-15:20 Break
- 15:20-16:00 Dosimetric Characterization of a Waveguide-based Exposure System for Laboratory Studies with Unrestrained Mice at 1.9 GHz  
S. Wasoontarajoen (Rajamangala University of Technology)
- 16:00-16:30 Limitation and Usefulness of Transmission Line Theory in the EMC Field  
Y. Kami (The University of Electro-Communications)
- 16:30-17:00 Biomedical EMC for energy and information systems  
M. Taki and Y. Suzuki (Tokyo Metropolitan University)
- 17:00-17:10 Closing Remarks

### 4. Dinner Party

問い合わせ： 首都大学東京システムデザイン研究科 和田圭二 [kj-wada@tmu.ac.jp](mailto:kj-wada@tmu.ac.jp)
